

## ***Battery-Related Conferences And Trade Shows In 2017***

As the use of batteries expands in small, portable products such as phones, tablets and tools, and in higher power applications such as electric vehicles and energy storage for renewable energy sources, the interest in battery development continues to grow. This interest is evidenced by the numerous battery-related conferences and tradeshow taking place across the globe. Here we list the various industrial and academic forums where engineers, scientists and executives may learn about the latest battery research, commercial developments, and application issues as well as the expected networking opportunities. These conferences frequently cover fuel cells too. For those in the electronics field, these events offer opportunities to learn about the latest developments in battery management for the targeted applications.

### ***January:***

#### [IBRX India](#)

International battery Expo & Recycling Conference

Jan 9-11, 2017

Marriott Resort, Goa, India

#### [Advanced Automotive & Industrial Battery Conference](#)

January 30- February 2, 2017

Congress Centrum Mainz

Mainz, Germany

### ***February:***

#### [Next-Generation Energy Storage](#)

February 14-16,2017

San Francisco, CA

#### [ARPA-E](#)

Energy Innovation Summit

February 27- March 1, 2017

Washington, D.C.

Notes: Technology showcase includes exhibits on R&D relating to batteries, battery management and battery testing.

### ***March:***

#### [Int'l Rechargeable Battery Expo, Battery Japan](#)

March 1-3, 2017

Tokyo Big Sight, Japan

**48  
Battery-  
Related  
Events in  
2017!**

[International Battery Association](#)

March 5-10, 2017

Nara Kasugano Intl Forum, Japan

[NAATBatt Annual Meeting & Conference](#)

March 14-16, 2017

The Wigwam Resort

Litchfield Park, AZ

[Battery Experts Forum](#)

March 14-16, 2017

Stadthalle Aschaffenburg, Germany

Notes: Main topics include battery & charging technology; power management & safety; progressive battery manufacturing; e-Bikes, EV, and automotive HEV; and raw materials/energy storage systems.

[Energy Storage Europe \(Conference & Expo\)](#)

March 14-16, 2017

Düsseldorf, Germany

[The International Battery Seminar & Exhibit](#)

Advanced Battery Technologies for Consumer, Automotive & Military Applications

March 20-23, 2017

Fort Lauderdale Convention Center

Fort Lauderdale, Florida

[Advanced Battery Power Conference](#)

March 20-30, 2017

Halle Münsterland Exhibition and Congress Centre

Münster, Germany

[Intersolar Summit USA East](#)

March 23, 2017

Brooklyn, NY

Notes: Includes tracks on energy storage with speakers from battery companies.

**April:**

[The Battery Show Europe](#)

Launching in Europe April 4-6, 2017

Co-located with Electric & Hybrid Vehicle Technology Expo Europe

Sindelfingen, Germany

[MRS Spring Meeting & Exhibit](#)

April 17-21, 2017

Phoenix, Arizona

Notes: This meeting of the Materials Research Society features symposia topics such as Materials for Multivalent Electrochemical Energy Storage; Mechanics of Energy Storage and Conversion—Batteries, Thermoelectrics and Fuel Cells; and Interfaces and Interphases in Electrochemical Energy Storage and Conversion.

[Energy Storage Association Conference and Expo](#)

April 18-20, 2017

Denver, CO

[BCI Convention + Power Mart Expo](#)

April 30- May 2, 2017

Jacksonville, FL

Notes: This event attracts "industry leaders and decision makers from the world's largest battery organizations."

**May:**

[Battcon International Stationary Battery Conference and Trade Show](#)

May 7-10, 2017

Orlando, Florida

[Battery Congress](#)

May 7-10, 2017

Novi, Michigan

Notes: Conference objectives include: "To provide a forum for, engineers, managers, scientists, academic researchers, and industry executives to exchange advances in battery technology and applications and management systems. This forum will address key topics and issues related to OEMs, Suppliers (all Tiers), Component Manufacturers, Governmental and Non-Governmental agencies...This forum would provide a conference, exposition, and publication dedicated to the research integration of new battery technologies in vehicular and other energy system applications."

[Energy Harvesting and Storage Europe](#)

Part of the IDTechEx Show

May 10-11, 2017

Berlin, Germany

[Battery Power](#)

May 17-18, 2017

Dallas, TX

Notes: This event is described as “an international conference highlighting the latest developments impacting batteries and power management in portable devices including smart phones, laptops/tablets, medical devices, wearables and military applications. Conference topics will include new battery designs, improving power management, predicting battery life, regulations and standards, safety and transportation, battery authentication, charging technology, emerging chemistries, R&D and market trends.”

[China International Battery Fair](#)

May 18-20, 2017

Shenzhen Convention and Exhibition Center

Shenzhen, China

[ees Europe](#)

Exhibition for batteries and energy storage systems

Co-located with Intersolar Europe

May 30-June 2, 2017

Munich, Germany

[Lithium Supply & Markets Conference](#)

May 30-June 1, 2017

Hyatt Regency-Montreal

Montreal, CA

**June:**

[Batteries, Super Capacitors, Fuel Cells & EV`s Seminar](#)

June 6-7, 2017

Savoie Technolac

Chambery, France

[ESSB Meeting](#)

Energy Storage and Stationary Battery Committee (ESSB)

June 11-15, 2017

Chattanooga, TN

[AABC](#)

Advanced Automotive Battery Conference

June 19-22, 2017

Marriott Marquis

San Francisco, CA

[IFBF](#)

The International Flow Battery Forum

June 27-29, 2017

Manchester, England

[ASME Power & Energy Conference & Exhibition](#)

June 26-30, 2017

Charlotte Convention Center

Charlotte, NC

[iTEC](#)

IEEE Transportation Electrification Conference & Expo

June 22-24, 2017

Royal Dearborn Hotel & Convention Centre

Dearborn, Michigan

Notes: Conference addresses "components, systems, and power electronics from technology to business and public policy."

[Developer Forum Battery Technologies](#)

June 28-30, 2017

Gliwice, Poland

**July:**

[ees North America](#)

electrical energy storage (ees)

The International Exhibition for Batteries and Energy Storage Systems

Part of Intersolar North America, Co-located with Semicon West

July 11-13, 2017

San Francisco, CA

[Mag-Batt](#)

International Symposium on Magnesium Batteries

July 21-22 2017

Ulm/Blautal, Germany

**August:**

[Energy Storage North America Conference and Exhibition](#)

August 8-10, 2017

San Diego, CA

[Oil & Gas Battery Conference & Exhibition](#)

Part of Offshore Battery Days

August 22-24, 2017

Oslo, Norway

[CNIBF](#)

China (Shanghai) International Battery Industry Fair

August 23-25, 2017

Shanghai New International Expo Centre

Shanghai, China

**September:**

[ABAF](#)

International Conference Advanced Batteries, Accumulators and Fuel Cells

September 10-13, 2017

Brno University of Technology

Czech Republic

[The Battery Show Exhibition and Conference](#)

The Expo for Advanced Batteries

Co-located with the Critical Power Expo and the Electric & Hybrid Vehicle Tech Expo

September 12-14, 2017

Novi, Michigan

Notes: Exhibit includes power component, power supply, battery charger, motor drive and test equipment vendors.

[Battery Osaka](#)

International Rechargeable Battery Expo Osaka

September 20-22, 2017

Osaka, Japan

[Automotive Battery Management Systems](#)

September 26-28, 2017

Hotel Hilton

Mainz, Germany

[InterBattery](#)

September 27-29, 2017

Coex, Seoul, Korea

**October:**

[Batteries](#)

The International Energy & Power Supply Conference and Exhibition

October 3-6, 2017

Nice, France

[World of Energy Solutions](#)

October 9-11, 2017

Messe Stuttgart, ICS, Germany

Stuttgart, Germany

Notes: Includes battery section—"BATTERY+STORAGE portrays stationary and mobile battery storage solutions in their concrete applications."

[INTELEC](#)

Communication Energy Systems

October 22-26, 2017

Broadsbeach

Queensland, Australia

**November:**

[Critical Power West](#)

Co-located with Low-Power conference

November 3-4, 2017

Las Vegas, NV

Notes: call for presentations includes "Advancements in Power Systems: Batteries, Generators, Fuel Cells, UPS."

[Medical Battery Conference](#)

November 16-17, 2017

Marriott Courtyard Duesseldorf Seetern

Duesseldorf North Rhine-Westphalia, Germany

[China \(Guangzhou\) International Charging Equipment and Battery Exhibition](#)

November 17-21, 2017

Guangzhou, China

[MRS Fall Meeting & Exhibit](#)

November 26-December 1, 2017

Sheraton Boston Hotel

Boston, Mass.

Notes: This meeting of the Materials Research Society includes symposia topics such as electrochemistry.

**December:**

[International EV Batteries](#)

Cost Effective Engineering for Hybrid and Electric Vehicles

December 6-7, 2017

Institution of Mechanical Engineers

London, England
